ANGF Restructure Re-Cap

Due to the resolution passed at the Nayarit conference – the General Membership allowed the Board to suspend the rules so that the Board could be free to make modifications;

The Executive Board is preparing documents for the Board to review, revise and approve – in the best interest of the organization.

- Per Julian's announcement: "we will complete the groundwork for ANGF's restructure organization, project planning and prioritization of project events....." "Be assured that your involvement in the final plan proofing is requested on a date and place that will be posted....."
